## FOR CENTRAL'S NEW CHURCH.

It will be located at the Corner of Washington and South Streets.  
For some time the membership at Central M. E. Church, of this city, has been agitating the building of a new and modern church, and steps were taken to put the plans suggested into active practice. What was being done did not appear to the public as being a great deal, but the result of labor well performed was made very apparent yesterday, when it became known that the trustees of "Central" had purchased at auction the two lots on the north-west corner of Washington and South streets, paying the price of \$5,015 for the same.

Lot No. 1, on the corner, has a frontage of 75 feet on Washington and 45 feet on South. Lot No. 2, adjoining on the west, has a frontage of 45 feet on South street and a depth of 75 feet. The congregation owns the adjoining lot on Washington street, on which is located the parsonage, which was formerly the property of Mr. Charles R. Robertson.

**TUMOR EXPELLED.**  
Unqualified Success of Lydia E. Pinkham's Vegetable Compound.  
Mrs. ELIZABETH WHELOCK, Magnolia, Iowa, in the following letter describes her recovery from a very critical condition:  
"DEAR MRS. PINKHAM:--I have been taking your Vegetable Compound, and am now ready to sound its praises. It has done wonders for me in relieving me of a tumor. My health has been better ever since. Change of life was working upon me. I was very much bloated and was a burden to myself. I was troubled with smothering spells, also palpitation of the heart and that bearing-down feeling, and could not be on my feet much. I was growing worse all the time, until I took your medicine. After taking three boxes of Lydia E. Pinkham's Vegetable Compound Lozenges, the tumor passed from me. My health has been better ever since, can now walk quite a distance and am troubled no more with palpitation of the heart or bloating. I recommend your medicine to all sufferers from female troubles." It is hardly reasonable to suppose that any one can doubt the efficiency of Mrs. Pinkham's methods and medicine in the face of the tremendous volume of testimony.
